18-Hole Disc Golf Course

A Disc Golfer's guide
to the new 18-hole course at
Hualapai Mountain Park

Hualapai Mountain Park is a Mohave County owned and operated regional park facility located at 6,500' elevation in the scenic Hualapai Mtn. Range, 15 miles east of Kingman, Arizona.

On March 29th, 2017 the Mohave County Board of Supervisors accepted the donation of \$7,200 dollars in equipment and labor from the Kingman Disc Golf Club to create this amazing championship-style 18 hole disc golf course.

Just over two years later, the course was officially opened and hosted a 36 hole tournament on April 28th, 2019. Mohave County Parks is grateful to the Kingman Disc Golf Club for their countless hours and continued dedication to this course.

While on the course please observe all park rules, and do not throw discs when hikers or vehicles are present. Please play course as noted with respect to mandatory obstacles, and boundaries for your's and other's safety.

Terrain and weather conditions vary dramatically throughout the year, please call ahead, plan accordingly, and play at your own risk.

Enjoy your visit to Hualapai Mountain Park!
