Trail Features

- ① **Deer Canyon Trailhead** 6,200'
This is Sawmill Canyon. A diverse riparian habitat with native Walnut, Maple, and Cherry trees.
- ② **Silver Bell Mine** 6,300'
Developed in 1870's, the Silver Bell Mine was worked for high-grade silver ore until it was closed in 1994.
- ③ **Kingman Overlook** 6,500'
This vantage point looks towards the west at the City of Kingman, and the nearby Cerbat Mountains.
- ④ **Main Trailhead** 6,750'
Most folks will start their journey here, please be sure to sign in/out as a safety precaution.
- ⑤ **Stonestep Overlook** 6,850'
This viewpoint to the east is perched at 6850' elevation. The stonesteps are the handywork of the Civilian Conservation Corps who built this trail system in 1936.
- ⑥ **Potato Patch Junction** 7,000'
The Potato Patch loop begin here. Head east for Hualapai Peak, or west for Hayden and Aspen Peak.
- ⑦ **Pine Lake Overlook** 7,450'
The Community of Pine Lake is visible below. On a good day, you can see the San Francisco Peaks of Flagstaff.
- ⑧ **Old Settlers Valley (Hualapai Junction)**
This valley was once home to early settlers of the region and a potato farm, followed by a Boy scout Camp.
- ⑨ **Hayden Trails Junction** 7,400'
A major trail junction and important safety point close to the Fire Evacuation Siren and Wildfire Rally Point.
- ⑩ **Aspen Peak** 7,950'
While not at the summit, you are close! Most will continue the scramble to the top which is 8,167' above sea level.
- ⑪ **Mt. Tipton Overlook** 7,800'
Mt. Tipton is the highest peak in the Cerbat Mountain Range and is visible to the west.
- ⑫ **Dinosaur Rock** 8,050'
Dinosaur Rock is visible to the south. To the west, is Golden Valley with the Black Mountains on the horizon.
- ⑬ **Hayden Peak** 8,390'
The Peak is dominated by private property. Please do not disturb or loiter. *Please do* enjoy the amazing views.
- ⑭ **Hualapai Peak** 8,415'
Congratulations! You have reached the highest summit in Mohave County at 8,415 feet in elevation.
- ⑮ **Levi Levi Trading Post**
This facility was constructed as a Boy Scout commissary building. Please do not disturb. In the event of an emergency and if you are unable to evacuate, please stage at this location and call 911.

Please do not litter.
Pass on the Left; Walk on the Right.
Communicate to others.
Leave the trail better than you found it.

LEAVE NO TRACE

Plan Ahead and Prepare
Travel on Durable Surfaces
Dispose of Waste Properly
Leave What You Find
Minimize Campfire Impacts
Respect Wildlife
Be Considerate of Others

SHARE THE TRAIL

Hiking during Wildfire Season

1. Make someone aware of your hiking plans and location prior to going on your hike
2. Monitor weather forecasts and conditions
3. Bring plenty of drinking water
4. Bring a cell phone with GPS and check for service
5. Backpack camping and campfires are not permitted in the County Park wilderness.
6. Maintain situational awareness
7. If you hear the Wildfire Warning Siren, remain calm and evacuate immediately
8. During a wildfire emergency, call 911 to report your location and how many are in your group
9. It is possible that a wildfire may prevent you from returning to the trailhead safely.
10. If trapped or surrounded by wildfire, seek shelter in a dry wash bed, roadway away from vegetation and vehicle hazards.
11. There is a Wildfire Rally Point just north of the Levi Levi Trading Post for emergency fire sheltering.
12. Never try to out run a Wildfire.

MOHAVE COUNTY PARKS

HUALAPAI MOUNTAIN PARK TRAIL SYSTEM MAP

Trail Information

Welcome to Hualapai Mountain Park. This brochure provides trail users with important information about the Park's trail system. Please take a moment to make yourself familiar with the trails destinations and safety features.

Hualapai Mountain Park offers over 11 miles of trail for users to enjoy a unique forest experience in Mohave County. Situated atop the Hualapai Mountains, the trail system provides panoramic views of the basin and range landscape which is typical of western Arizona. While on the trails, users will be immersed in a variety of mountain habitats and have the opportunity to view numerous wildlife species.

Trail System kiosks, maps, and markers have been specifically labeled to match the corresponding information in this brochure. Trail Segments are color coordinated, Trail Features, and Safety Features are numbered for ease in orienting one's self while using the trails.
